

Supply Chain Management Opportunity

Make a change!
Join our team
dedicated to
improving the
construction
experience.

Preston Feather is a rapidly growing value-added distributor of lumber and specialty building materials for top architects and pro builders. We offer rewarding careers, compensation and industry leading training.

- Have a passion for the home building/remodeling world?
- Want to make a big impact with your supply chain skills in an industry ripe for change?
- Do you have continuous improvement in your genes?
- Is a GREAT company culture on top of your list?
- Are you a well organized self-starter who knows how to lead supply chain change?
- Do you have a track record of designing and implementing supply chain process improvement?
